

Open House Meeting Dates The Park at Granite Bay

We would like to invite you to attend one or more of three upcoming open houses for neighborhood residents to provide input on the proposed Park at Granite Bay, located off Sierra College Boulevard near Haskell Way.

At these open houses, we will provide further details on our plan and adjustments we are considering. Our engineers and design team will be present to answer your questions. We welcome your input and suggestions on how we might improve the project. We would like to put all ideas and issues on the table during these open houses.

We have scheduled the open houses at the following dates and times:

- **Thursday, February 19 at 5 p.m.**
- **Wednesday, March 18 at 7 p.m.**
- **Wednesday, April 8 at 7 p.m.**

Each of the open houses will be held at the Granite Bay Library at 6475 Douglas Boulevard.

Some of you may have attended the Granite Bay Municipal Advisory Council meeting in November where The Park at Granite Bay was discussed as an information item. We apologize that we didn't meet with all residents before that meeting and hope that we can use these open houses to create an open and frank dialogue with all residents in the neighborhood.

So that we can plan properly for each open house, please RSVP to ParkAtGraniteBay@gmail.com

We look forward to seeing you at these open houses. If you cannot attend and would like to meet, we would be happy to schedule a separate time at your convenience.
